vaccines will help protect people from developing long COVID over the

"I am concerned," Duclos said Friday. "From what I'm hearing from

the experts, [they] are telling us ... that the coming months, the coming weeks will be critical when it comes to COVID-19 infection and all the consequences this can have for people and health-eare workers who are already quite tired."

already quite tired."

Canada's Deputy Chief Public
Health Officer Dr. Howard Njoo said
Friday that he's confident there will
be enough of both vaccines to meet
Canadian demands.

Health Canada approves Pfizer's new bivalent COVID-19 vaccine

The updated version of the Pfizer-BioNTech Comirnaty COVID-19 vaccine targets the OmicronBA.4 and BA.5 subvariants, as well as the original strain of the booster dose in people 12 years of age

mdolder.
"The booster is expected to trigger "The booster is expected to trigger a strong immune response against both the original SARS-CoV-2 strain as well as the Omiron BA-Affla-S, subvariants, "Health Canada said in a media statement." It is expected to have a similar safety profile to the original Pfizer-BioNTech Comiranty vaccine, withmostly mildside effects." Health Canada said it has imposed terms and conditions on the authorization of the new vaccine, including a requirement that including a requirement that

authorization of the new vaccine, including a requirement that Pfizer-BioNTech provide information to Health Canada on the safety and efficacy of the vaccine on an ongoing having to anyone its benefits continue to

outweighthe riaks.
"I'm really excited to have the
bivalent vaccines for the different
SARS-CoV-2 variants approved,"
said Alyson Kelvin, a virologist at
the Vaccine and Infectious Disease
Organization at the University of
Sadatchewan.
"We're seeing almost all infections
worldwide are BA.5, so this is going
noffer more reported in the order."

worldwide are BA.5, so this is going to offer more protection to people.* Health Canada says 88 per cent of the COVID-19 cases identified in mid-September were BA.5 and nine per cent were BA.5 and nine Who should get the vaccine The National Advisory Committee on Immunization (NACI) is recommending that all Canadians 65 years of age or older get the new shot. It also says that Canadians 12 and older who fees an elevated risk of

NACI also said Friday that mRNA bivalent COVID-19 vaccines are now

new shot as soon as they can. Canadisms who have not had a shot for three months should also consider egiting the shot. Health Canada says that those who have had a booster less than three months ago should not rush out to get the shot because it will not be a effective as it would be if they wait a little longer.

ittle longer.
Two options for better protection
This is the second combination
vaccine approved by Health Canada's
vaccine review team and the first that
argets BA.4 and BA.5. Last month, Health Canada approved use of Moderna's bivatent COVID-19 vaccine, branded Spikevax, which targets the original virus and the first Omicron variant, BA.1.

Kelvin said the Moderns and Pfizer-BioNTech bivalent shots are expected to offer better protection against the circulating strains.

"It's really important knowing that there is a significant difference in how

your immune system sees the Omicron variants compared to the original SARS-CoV-2 virus, that you are at least getting some protection to

the Omicron variants," she said. "I'm really excited to see the potential of these bivalent vaccines What you need to know about the potential of these bivalent vaccines and how we might advance mRNA technology going forward." Tamconcerned: Duclos Canada's Chief Public Health new credit card surcharge

Canada's Chief Public Health Officer Theresa Tam said that while there was a decline in cases toward the end of the summer, COVID-19 infections are occe again on the rise. She urged Canadinas to get the new shot so that when they're spending more time indoors over the winter months, they'll be sufficiently protected from infection and severe illness.

ween of fees - that they pay any time a customer pays with credit. The settlement also gave them permission to pass those charges on to customers directly, which they weren't allowed

todobefore.

Previously, businesses were absorbing the cost of these so-called interchange fees, but now many are looking to make up for lost revenue

our sudience and have answered some of them below. Why are the credit card fees so high at 2.4 per cent? Couldn't they be capped at 1 per cent? Couldn't they be capped at 1 per cent? Actually, credit card interchange fees are sometimes higher than 2.4 per cent, but the surchange for customers has been capped at that number due to the settlement.

e settlement. However, the surcharge amount you

However, the surcharge amount you may be charged when paying depends on which credit card you use.

"The higher the premium of the card, the higher the interchange fee," said Luciana Brasil, a partner at Vancouver-based law firm Branch MacMaster LLP, which worked on the class-action lawsuit that led to the settlement.

Gauri Sawant Opens Up On Sushmita Sen's Role Taali, 'Why Should Be Restricted To Just The Transgender Roles'

Sushmita Sen surprised everyone by sharing the first look of her upcoming film "Taali" based on the life of transgender activist Gauri Sawant. Since then there has been lot of buzz over the internet about Miss Universe playing a transgender in the film and why someone from the community was not considered to play the lead role. Recently, in an interview, Gauri Sawant clarified

interview, Gauri Sawant clarified these questions and said that it is a mark of respect that a female actor is playing therool. While speaking to Hindustan Times, Gauri said, "First, I want to make it iclear that there are may transgender actors who will be seen in the project, who were picked after a thorough audition process. I am also

acting in the project."

She continued, "Most of us from the community wanted to be women, and that is the reason we decide to wear a sarce. Now, it is a mark of respect for us that a female actor is playing the role, instead of a male actor, which we have seen happening interness."

think about how challenging the role will be for a woman with such stuture. Because the role comes with a lot of taboo with which we live with. She has shown courage to take it up. And she was my first choice.

The transgender activist also said

they want to play different roles and they should be considered for other

Openers in focus as India look to seal series against South Africa

The second-string Indian team would look for some stability from its openers as the host aim to punch show their weight and seal a memorable-seal took against South Africa in the third tead final ODI. After going down nerowly in the series-opener, the might of the Indian white-ball depth use in Indil Indipals with the Mosts won the second ODI comfortably to devel the three-match series 1-1. But the Indian think tank would be a little concerned about the would be a little concerned about the would be a little concerned about the opening pair of captain Shikhar Dhawan and young Shubhman Gill. Both batters struggled in the series so far. One of India's most consistent ODI batters in the last two years, Dhawan, who is now restricted to playing only the 50-over format, has managed only 17 runs in the series. The veteran batter will hope to give a better start to the Indian innings in

an tweether to the Indian immings in the decider with his eyes set on the ODI World Cupnext year. Gill, on the other hand, has also been profiligate in availing his opportunities at the top. After being heaply dismissed in the opener, he got a good start in the second ODI but couldn't convert it into a big score. The middle order comprising Shroyas

management continues to audition players for the ODI World Cup. In the bowling department, Mohammad Siraj, who has been touted as a possible replacement for injured Jasprit Bumrah in the T20 World Cup squad,

Siraj, who has been touted as a possible replacement for injural support. Burmaris in the T20 World Cup seard, has made a strong case for himself. Spinners Shabbar Ahmed and Ravi Biktneh have abload good derbus. While the stakes are not too high for the Indians, it will be a tought set against a fall-strength South African side, which would be ravenous for ICC Cricket World Cup Super Leaguepoints. The Proteas, who are maked 11th, are in danger of massing out on direct entity into next year's 50-over World Cup. Teruba Stavam, who has been worefully out of form since his return from ingluy, was rested in the second ODI as he was unwell and it is to be seen if the skipper returns for the seen if the skipper returns for the seen if the skipper returns for the decider. Stand-in skipper Keshav Maharaj erred in making the right call after the coin landed in his favour in

the second ODI as South African bowlers felt helpless against the dew but they were expected to come all guns blazing in the series finale. Their batters have also fared well and the onus will be on the likes of Quinton de Kock, Aiden Markram and David Miller to perform with the willow.

willow.

'We don't have Lionel Messi sitting in the bench': Ramiz Raja defends Pakistan squad for T20 World

Cup

Pakistan Cricket Board (PCB) chief Ramiz Raja has defended team selection for the T20 World Cup selection for the 120 World Cup saying the selection committee has very limited options and there is no "Lionel Messi sitting in the bench". Responding to the criticism of the team selection followed by the

continuous failure of the team's middle order, Raja in an interview to Geo TV said, "We have experimented with the senior players in the last T20 with the senior players in the last T20 World Cup. I don't have any issue. But my philosophy in cricket is- We need consistency in selection and second we need to strengthen the skipper. Humare bench main koi Lionel Messi nahi saitha huya hain.

Licoet Messi mahi baitha haya hain, anr humne ekdami kon idadi player ko le li ya ho (We don't have Lionel Messi sitting in the bench and intrated picked a worthless player in the team). We have limined options. Pakistansi middle order has been a major concern for the team management as no other bastrans could score big runs in the middle order. From the Asia Cup losts to 4-3 defeat in the 7-T201 mach series cannot like alleradies and the consideration of the contract like and th 4-3 defas in the 7-720f much series against England, only the opening pair of Babar Azam and Mohammad Rizwan shouldered the responsibility of scoring runs. With the middle order's failure, Pakistants' 'spoor selection' is under attack. Many veteran crickets reifs (Shash) Maliko ryrobably Mohammad Hafere should have been in the middle order to strengthen the batting as well bowline bit artifact ware motivated.

Ishant Sharma enjoying additional responsibility: Delhi head coach ahead of new season

India veteran Ishant Sharma is putting the hard yards in the sets and has wholcheartedly committed to the cutra responsibility of mentering the Delhi pacers in the Syed Musthaq Ali 1720 Trophy beginning on Tuesday, team's new head coach Abshay Sharma said on Monday.

A stalwart of 105 Tests, the

A stal warf of 105 Tests, the 34-year-old will be probably making one last attempt for an India combask who the domestic season gist underway forthe Delhi tesm with their T20 opens regainst Manipur in Jaipur on Tuesday. The build up to the new search has no been ideal for Delhi who appointed former India U-19 and India A coach Sharma sa head coach only 10 days ago. The squad for the premier T20 domestic event was announced on Cetcher 5 with IPL star Nikis Rana replacing Pradeep Sangwan as captain after a frogressial season in which severe in the mean of the severe in the which severe in the severe Pradeep Sangwan as captain after forgettable season in which sev

tournaments.
Head coach Sharma is aware of the challenges at hand and the \$3 -year-old told PTI that he and the players are up for it. "The preparation time was less but somehow we have created a very good environment. I have had oce on ones with all the players and they are looking forward to making an impact right from the word on. "We impact right from the word go. "We had a team bonding session yesterday and everyone participated including the senior players (Ishant, Nitish, Navdeep Saini). As professionals,

Navdeep Saini). As professionals, they know their game and bodies better than anyone. We have created an environment where we have put ownership on the shoulders of the experienced players. "Talking about the mirakkes made in the last season, the coach sain." It is early days, We will be tested but we are ready. This is my first season, I don't want to talk about the past, we can learn from that. If we late ownership of our respective roles and control the

tempo of the garne we will be in a better position." On leader of the pace attack Ishant, the head conche naid the senior most bowler in the squad is reliabing the additional role assigned to him. "We have given a certain role to Ishant and he is really belying all the bowlers. After Kapil Dev he is the only Indian paneer to play in 100. Tests. "He can read the conditions better than arrows and understands Tests. "He can read the conditions better than anyone and understands what lengths to bowl. He is sharing his knowledge with the up and coming fast bowlers which is a very goodsign for the team. "He is also working hard on his fitness and his bowling." World Cup winning India U-19 captain Yash Dhull made a successful debut last. but the seaton. He is set to make his '720.

Dhull made a successful debut last season. He is set to make his T20 and List A debut this year. "He is a very energetic player, we have identified his role as well. Heplays as per the tempo of the game. The way he bats, it doesn't make the format he isplaying.
