KRK Blames Ranveer Singh For Ruining Sushant Singh Rajput's Career

Filmmaker Kamaal R Khan and controvenies go hand-s-hand. He is often seen targeting Bolllywood celebrities over their failures. After targeting Shlah Rokh Khan, Salman Khan and Akkhay Kumar, his next vistim data he has banded is Rarveer Singh. In a recent video, the film critis blamed the Cirkus setto for ruining Sushant Singh Rajput's conver.

In his five minute video, the 47-year-old actor alleged that Ranveer, whose three movies 83, Jayeshbhai Jordara and Cirkus, flopped at the box office, is facing karna for stealing Subanar's movie opportunities. Both of them were handledby Addys (Acopan's Yash Bay Films at the time when the late actor was offered Saight Jeela Bhaussill's movie Golfyon Ki Raasleela Ram Leda. According to KRE. Soon after Saight Sai Leela. According to KRK, even after SLB and SSR both requested the YRF head boncho to let him do the film, he refused. Instead he suggested Ranveer's name to the Devdas

KKKs, through the stardom that Ranveer got had Aditya not snatched his opportunities like that. He went on to say that just like the YRF's head even Karan Johar wanted to sabotage SSR's career, which is why small that the shade of the sabotage SSR's career, which is why

producers Ra 600 cross. He goes on to say that Ranyeer's upcoming movie Rocky Aur Ran Ki Prem Kahan will also fail at the box-office. He also said, "Aaj Ranveer Singh double dholki ka haal ye hogga kal ki woh Vivek Oberoi se bihi bada filopa cator maana ja raha hai. Ranveat sante waali koi filmein chalai hi sankye kyuki kisiko dekhni hi nahi bai usu bbaand ki film."

Here are all the kinds of characters that Shah Rukh Khan wishes to play in the future

2023 sure looks one hell of a ride for Stain Rukh Khan fans who have three big releases of the star to look forward to. The first one being Pathaan - the songs and latest visuals of which have already created quite the buzz. Recordiny while speaking of the kind of films he would love to do

the kind of filmshe would love to do in the future, be was quoted in the times of fledis, "I want to do a film like 'Loon: The Professional'. Not Loon but a film like where I am, an older, quiet gruy, very intense with a gray beardand gray bair." He expressed how be wants to narrate stories to the beat of his abilities and the ones that the addince really wants to hear. He also mentioned, "I am Batman at hight, Superman in the morning & Spider-Main is the aftencome. So, I just want to play all kinds of characters."

characters."

It's been a long time since fans witnessed Shah Rukh Khan's magic onscreen. With a diverse range of characters to be played in his morning releases, only time will tell

BCCI shortlists 20 players for 2023 ICC Men's World Cup

The BCCI has shortisted 20 players who will be part of 2023 Mexis World Cup. At the review meeting with the brain trast of Indian cricket, the BCCI has decided that these players will be rotated so that proper preparation is ensured before the 2023 World Cup, which will be held in India. In attendance for the meeting were Rahall David, slaper Rokit Blarma, chief elector Crietar Sharma and NCA head VVS Lexemes, all of whom bean the state of the

who attended the meeting, said.
"The issues of player availability, workload management and fitness parameters were also discussed at length during the meeting along with

the roadmap to the ICC Cricket World Cup 2023," the BCCI said. Among the decisions taken, BCCI said that the National Cricket Academy (NCA) will "work in tundent with the IPL. Franchies to monitor the turgeted Indian players perticipating in the IPL 2023", emphasizing the unit as the nodal creter for the fitness of Indian others.

"Our biggest challenge in our emergency right now in Calgary is often space to see kids. We've started therapy, but there's nowhere fire them to move to. So they're stuck in the emergency department for 24, 36 hours."

bours."

Experts say that hospitals and family practices in Canada were built to operate at almost full capacity all the time. When the system experiences spikes in need, doctors and nurses simply work longer hours to meet the demand. But the system was operating over peak capacity for a long time during the pandemic – and doctors and nurses started burning out.

in demand.*

A very political debate

While these problems persist, the debate between the premiers and the federal government has been largely aboutmoney.

aboutmoney.

Canada's premiers say the federal
government is only paying 22 per
cent of the cost of providing health
care. They want that boosted to 35
per cent - am increase of \$28 billion to
the \$45.2 billion Canada Health

the \$45.2 billion Canada Health Transfer (CHT) starting this year-and for the CHT to increase by six per cent aroundly after that. The federal government said that while the CHT only covers 25 per cent of health-care costs, taxation yowest transferred to the provinces in 1977 to pay for health care - and inding for things like mental bealth services, home care and long-term

care - bring the federal government's share up to as much as 38.5 per cent. Federal Health Minister Jene-Yves Duclos said be is willing to bring unore money into the system value only if the provinces agree to system reforms to improve contonnes. Doctors used administrators working in the health-care system superior solutions to the province agreement of the provinces of the provinces is essential if any new money is used to the provinces of the interval of the provinces of the

is going to improve delivery - and they have plenty of ideas about the changes that need to be made. Relieving the administrative burden The addition of administrative staff responsibilities could help, but that won't happen without long-term, peodictable funding that would come from a new health deal between the

from a new health deal between the provinces and the federal government, Munter said.

"Five years ago we could put up a con-year contract, people would take it and then hope to be able to find a full-time job after. That's not possible anymore," he said. "We'll get zero applicants for those kinds of positions."

positions."

"We have to hire people permanently. And ... a lot of the funding that comes and goes into the health system is temporary money."

The federal government and the provinces have agreed to streamline how health information is shared in Canada but decreases a streamline how health information is shared in
